Office Insurance Policy

We are not contracted with any insurance carrier

Our office understands the value of insurance benefits to our patients and **we will submit insurance as a courtesy to you.**

Your insurance is a contract between you and your insurance carrier. We are not a party to the contract.

Any balance your insurance does not cover is your responsibility.

This includes any non-covered services, yearly deductible, or co-payments particular to your coverage.

If you have Delta Dental - We will submit your claim as a courtesy but payment must be made at the time of service.

If you would like to know the exact amount your policy will cover on treatment, we can send in a pre-treatment estimate. This can take up to four weeks for the insurance companies to process.

Thank you for your understanding our Insurance Policy. Please let us know if you have any questions or concerns.

I have read the Office Policy. I understand and agree to this Office Policy.
